

End-Of-Life Announcement

Dear Sir or Madam,

for the following product VisiCon Automatisierungstechnik GmbH announces the end of the product Life (End-of-Life, EOL). Due to the availability of new technologies and measurement methods, the product is technically obsolete and is no longer being manufactured. This notice applies to all versions of the product in question. Software maintenance and software updates are no longer available. Hardware or software errors can be resolved by transitioning to one of the listed migration products. Customers with an extended warranty agreement will continue to receive support in accordance with the terms and conditions of the agreement and for the duration of the agreement.
